This guide aims to provide information to families in need of services. It is a window into the resources that may be available to them. The Resource Guide will also be used to assist advocates of children and families with a quick link to services available.

The *Green County Family Resource Guide* was made possible by the:

- ◆ Reach Green - Early Head Start Program
- ◆ Green County Public Health

We hope the *Green County Family Resource Guide* becomes a useful tool for the entire community. The guide is also available at the Green County Public Health website: www.greencountyhealth.org. Extra print copies of this guide are available through Green County Public Health.

This guide may not include all the programs and services that are available to Green County residents and is not a recommendation for any provider.
